REASONS FOR ALLOWANCE

The following is an examiner's statement of reasons for allowance: USP 3,854,160 discloses a street sweeper which includes a primary mover engine which powers both the wheels of the vehicle and the rotation of the sweeper. USP 5,077,920 discloses a street sweeper which comprises a carrier engine for powering vehicle movement and a separate sweeper engine (16) for powering the sweeper. Both of the references lack a teaching or suggestion to include a control mechanism for selectively connecting only one of the primary or secondary engines to drive the sweeping machinery.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
